

## PRESS RELEASE

# Final Agreement is Reached with Insurance Companies Related to the Bureba Plant Factory Accident

Monterrey, N.L., Mexico, October 30, 2015.- Sigma Alimentos, S.A. de C.V. (Sigma), a company dedicated to the production of refrigerated food, reports that the negotiation process between Campofrío, a subsidiary of Sigma in Europe, and its insurance companies came to an end, and a final agreement was reached regarding the incident at the Bureba plant, located in Burgos, Spain, occurred on November 16, 2014.

Reason why, In this year's fourth quarter, Sigma expects to note in its financial statements a non-recurring gain of approximately 84 million euros, related to the difference between the compensation of insurers to replace the destroyed assets and the carrying amount thereof.

---
