

Sigma Acquired Food Production Facility in the U.S.

San Pedro Garza Garcia, N.L. Mexico, March 30, 2023 - Sigma Alimentos, S.A. de C.V. ("Sigma"), a company dedicated to the production, marketing, and distribution of quality branded foods, announced today the acquisition of a food production plant in Mt. Pleasant, Iowa for US \$12.4 Million. The plant will produce lunchmeats from the Bar-S and FUD brands which will be distributed nation-wide.

"This investment is part of our ongoing efforts to expand capacity in the region to better serve customers and consumers, as well as to continue delivering value to all stakeholders. We look forward to creating strong ties with the local community through our first facility in Iowa", said Jesus Lobo, Sigma US CEO.

About Sigma

Sigma is a leading multinational food company operating in 18 countries throughout North and South America and Europe. With 65 plants and 183 distribution centers, the company produces, commercializes, and distributes quality branded foods, including packaged meats, cheese, yogurts, plant-based and other refrigerated and frozen foods. Sigma's diversified portfolio includes over 100 brands spanning across different categories and market segments, such as FUD, Campofrio, Bar-S, San Rafael, Aoste, La Villita, Fiorucci, Chimex, Navidul, Justin Bridou, and Sosua, to name a few.
